

Payroll software for small businesses with big plans.

Real experts in real time.

Payroll doesn't wait for anyone and neither should you. Access payroll expertise in real time with a NZ based Support Team who care.

- Average phone support response time of less than 2 mins (2023 YTD).
- Professionally trained payroll experts & 12+ years experience in payroll (we've seen it all).
- Free payroll education resources to help you navigate the complex world of payroll.

Satisfy your business needs.

Thankyou Payroll is designed to help small businesses succeed with intuitive software and irresistible pricing.

- Straightforward software navigation and clear visibility of employee data - less clicks, less stress.
- Flexible and affordable plans starting from \$7 a month - no trade offs.
- Seamless Xero integration

Cut time, not corners.

As a payroll software provider and PAYE Intermediary, we make it easy to keep your payroll accurate and compliant in the least clicks possible.

- Accurate & compliant calculations for leave, holiday pay, PAYE and more
- Automated tax payments, payday filing, employee payments, and payslips
- Regular communication to your inbox about important payroll reminders and legislation changes

Is Thankyou Payroll the right fit for your business? [Sign up today](#) so that you can focus on building NZ's next breakthrough business.

Paul Goffin
Owner,
Plugs Electrical

Absolutely an amazing company that answers your questions instantly and helps with anything you need. I wish more companies were this good.

Bree Mosley

Director, Waitomo
Caves Discovery Centre

The best payroll company I've dealt with - and we've been through four since I started here but are unlikely to be changing again. The system is easy to use and flexible for our employees and contractors

Tom Butlin
Founder, Houdini
Search Marketing

Works perfectly with IRD, NZ holidays, full time/part time and contract employees. Ideal for NZ SMEs.
